

# Thinking About the Author's Research

**After you read a *Scope* nonfiction text, answer the following questions:**

How do you think the author got the information presented in the article? \_\_\_\_\_

---

---

Can you find quotes from experts in the article? If so, mark them. \_\_\_\_\_

---

---

Are those experts reliable? What might their biases be? \_\_\_\_\_

---

---

What are three facts the author gives you? \_\_\_\_\_

---

---

Do you think the author's information is reliable? Why or why not? \_\_\_\_\_

---

---

Do any of the images show primary sources? \_\_\_\_\_

---

---

How would you have researched this story? \_\_\_\_\_

---

---
